5th ANNUAL SPORTING CLAY CLASSIC

Friday, June 14, 2019

The North Texas Chapter is pleased to invite you to our 5th Annual Sporting Clay Classic! Proceeds from the event will benefit NTX Chapter scholarships. Our June membership meeting will be held following the event during lunch.

For detailed information, please see the attached flyer and registration form at the end of the newsletter.

Date: Friday, June 14, 2019

Location: Dallas Gun Club
3601 S. Stemmons Fwy. @ Hwy. 121
Lewisville, TX 75067

Time: 8:30 AM: Registration
9:30 AM: Shooting Begins
11:30 AM: Lunch, Exhibits, & Awards

Breakfast & lunch will be provided!

Cost: Team Registration: \$600-\$800 (team of 4) depending on sponsorship level
Individual Registration: \$160/shooter
(see attached flyer for more details)

Non-shooters are welcome to attend the lunch meeting for **free!** Please RSVP using the attached form.

***Exhibitor spaces are available on a first come, first served basis.
Sponsorship opportunities are also available.***

Register NOW! Registration closes on June 7, 2019.

PRESIDENT'S MESSAGE

Stephen V. Grelle

Hello all, and happy (almost) summer! The months of April and May have been a showcase for the strength of the North Texas Chapter's scholarship program. As you'll read in this newsletter, we donated \$2,000 to the University of Texas at Arlington's scholarship program at our annual April meeting. At our May board meeting, we selected five scholarship recipients for our NTX Chapter scholarship program out of a very large, strong, and diverse pool of candidates (recipients will be announced formally at a later date). In total, the NTX Chapter plans to donate at least \$9,000 via various scholarship programs this year. This is something of which our members and member companies should be very proud - it would not be possible without your support and donations.

Coming up in June is our annual Sporting Clay Classic, now in its fifth year! This event, along with the Jesse Points Golf Classic held in the fall, are our primary fundraisers for the NTX Chapter scholarships and donations. Please consider supporting the event by becoming a sponsor, donating prizes, or fielding a team. For those members and companies who support the NTX Chapter year after year, thank you for your continued support of our efforts. You truly are making a difference by supporting students and encouraging their development as future contributors to the concrete repair industry.

See you soon!

Stephen V. Grelle, P.E.

CONCRETE RESTORATION AND WATERPROOFING

NEWS FROM ICRI

2019 ICRI Fall Convention—Save the Date!

ICRI's Fall Convention will be held in Philadelphia, PA, Monday through Wednesday (November 11-13, 2019), at the Doubletree Hilton Philadelphia Center City. Check www.icri.org for updates!

2019 ICRI Spring Convention Recap

North Texas had three members represent our chapter at the 2019 National convention in Jacksonville, FL. These members include:

- Abhishek Aggarwal, P.E. with Walter P Moore – attended as Chapter Delegate
- Pete Haveron with Texas Concrete Restoration – Pete is the Chair of the National ICRI Committee 310 for Surface Preparation
- Mark LeMay, P.E. with JQ Engineering – Mark is the ICRI President-Elect

Thanks to Abhishek, Pete, and Mark for representing our chapter well!

JOIN ICRI! We encourage all of our industry friends to become a member of ICRI to support the organization and take advantage of the many benefits of membership. Registration is easy! Visit the [ICRI registration page](#) and make sure to include your annual membership in the North Texas Chapter (\$40 per year) in addition to your national membership dues.

NTX HOLDS JOINT MEETING AT UT-ARLINGTON

The North Texas Chapter held its annual joint meeting with the ASCE Student Chapter at the University of Texas at Arlington on Wednesday, April 3rd. Over eighty students and Chapter members were schooled on “Non-Destructive Testing/Evaluation of Concrete and Masonry Structures” by Todd Allen, President of Radarview, LLC. Mr. Allen described multiple technologies and methodologies that can be used to find distressed areas in concrete and masonry structures beyond simple visual observations, including electrical, electromagnetic, and sonic/ultrasonic methods, in addition to in-situ strength testing. Mr. Allen noted that, while technology can be a valuable tool for engineers, using well-thought out methods of applying the technologies is the key to providing pertinent information that is of value to the engineer. Obtaining this information can be crucial to the process of making informed decisions regarding the evaluation of options for repair. Mr. Allen provided several examples of technologies used on past projects, explained why certain methods were used, and showed the results gained from the testing.

Just prior to Mr. Allen’s presentation, Chapter President, Stephen Grelle, PE, and Chapter Scholarship Committee Chair, Julie Bolding, PE, presented Dr. Jim Williams with a \$2,000 check for the Civil Engineering Department’s Scholarship Fund. Several years ago, the North Texas Chapter committed to providing the UTA Civil Engineering Department with a \$1,000 minimum donation to its scholarship fund. Due to the success of the Chapter’s annual fundraising events, the Chapter has always been able to at least double this committed amount!

NTX Scholarship Chair, Julie Bolding, PE (left) and NTX Chapter President, Stephen Grelle, PE (center) present a scholarship check to Dr. Jim Williams (right)

Todd Allen, President of Radarview, LLC, begins his presentation to the UTA students

ICRI PROJECT AWARDS 2019

ICRI conducts an awards program each year to honor and recognize outstanding projects in the concrete repair industry. Entries are received from around the world, and the winning projects are honored each year at the annual ICRI Awards Banquet at each ICRI Fall Convention.

In order for the project to be eligible, it must have been completed after January 1, 2017, or be substantially complete before March 31, 2019. Other eligibility requirements and general information can be found on the ICRI website at: https://www.icri.org/page/Awards_Projects

The submission deadline is Monday, June 3, 2019 at 5:00 PM CDT!

Have industry news to share? Recent promotion? Industry recognition? We want to hear about it! Email jon_carrier@midcontinental.com for inclusion in the next issue.

GET SURFACE REPAIR CERTIFIED!

Why should my company have ICRI-certified Concrete Surface Repair Technicians (CSRT) on staff?

The ACI 562-16 concrete repair code commentary states that CSRTs are qualified to perform testing and inspections required by the Design Professional. Look for this requirement to become more prevalent in the coming years as, ACI 562-16 is becoming more widely recognized. Plus, better quality control and quality assurance start with better training!

INTERNATIONAL CONCRETE REPAIR INSTITUTE

For more information, visit the certification program's website

WWW.ICRI.ORG/PAGE/CERT_TECHPROGRAM

The North Texas Chapter is always looking for ways to expand or refine the newsletter. If you have suggestions on what we should include in the newsletter, new ideas, articles, or things we need to cut-out please send those comments to Jon Carrier (jon_carrier@midcontinental.com).

Did your business card not make the newsletter? Don't worry. We can include you in future issues of the newsletter. Please contact Jon Carrier (jon_carrier@midcontinental.com) for information. Don't delay as our newsletter ads operate on a calendar year.

5th Annual NTX ICRI Sporting Clay Classic

Benefiting NTX Scholarship Programs

ICRI - NORTH TEXAS CHAPTER

Friday, June 14, 2019

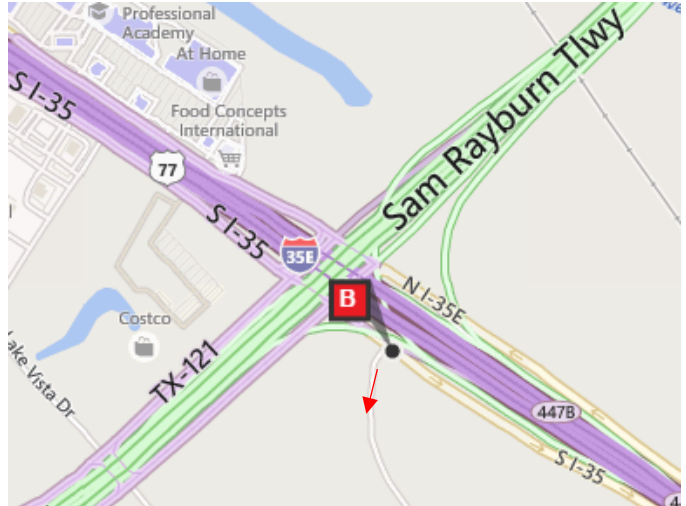

8:30 AM: Registration
9:30 AM: Shooting Begins
11:30 AM: Lunch, Exhibits, & Awards

EVENT INFORMATION

1. There will be 10 shooting stations, 10 targets per station.
2. Stations circle the Pavilion, and are about 20-25 yards apart. Rotation between stations will be in numerical order.
3. Dallas Gun Club will have shells for sale at the Pavilion for \$10/box. No shells will be sold at the stations.
4. Golf carts are available with advance registration (see attached form).
5. Station sponsors may provide two people to staff their station, one person to push the button to throw the clays, and the other to mark the score sheet. Sponsors may set up their own canopy, table and chairs, and provide give-away items to the participants (please, no give-aways containing alcohol). All set-up must be completed by 9:00 AM.
6. Participants are encouraged to bring their own personal protective equipment – safety glasses, hearing protection, etc. NTX ICRI will have limited quantity of safety glasses and ear plugs, if you need them.
7. All participants will be required to sign a waiver form and be in attendance for the safety presentation just prior to the start of the event.

CASH PRIZES FOR:

**1ST, 2ND & 3RD PLACE TEAMS AND
1ST, 2ND AND 3RD PLACE TOP SHOOTERS**

Location:

Dallas Gun Club

3601 S. Stemmons Fwy @ Hwy 121

Lewisville, TX 75067; (972) 462-0043

From downtown Dallas, take I-35E north, exit #447B Frontage Rd, make a U-turn to southbound service road; Club entrance is 100 yards on right.

TABLETOP EXHIBITS AVAILABLE DURING LUNCH!

Thank you to our lunch sponsor All-Tex Supply!

Increase your company's visibility with a tabletop exhibit! Following the shoot, space for exhibitors will be made available under the pavilion. After the awards are provided, each exhibitor will be given the floor for up to 5 minutes to address the attendees.

Exhibitor spaces are limited and are available on a first-come, first-served basis. A maximum of ten exhibitors will be given the opportunity to present to attendees.

ICRI NTX can provide tables for exhibitors if needed, but requests that exhibitors provide their own tables if possible. Please, no product demonstrations.

Those not participating in the clay shoot are welcome to visit the exhibits and join us for lunch (advance registration is required for lunch).

REGISTRATION CLOSING ON JUNE 7, 2019!
