2023 Mega Demo Day

Join us to network with industry leaders and manufacturers in the concrete repair industry! By attending the 2023 NTX Mega Demo Day, you'll have an opportunity to learn about the challenges faced every day in the repair and maintenance of concrete. You'll have the chance to witness live demonstrations of proper installation techniques, equipment, tools, and new technologies for concrete repair.

Table top exhibits are available! Exhibits will include a location to set up a display and advertise your company and/or products. As an exhibitor, you will have the chance to network with ICRI members and event attendees, and to perform your own product

Date: Friday, April 14, 2023

Time: 10:00 AM until 2:00 PM

Location: Sika Distribution Center

2075 Midway Road, Suite 100, Lewisville, TX

Cost: Exhibitors: \$250 member / \$350 non-member

New NTX Chapter members receive a discounted rate—\$200

Attendees: FREE! [Please RSVP here.](#)

Sponsorships are also available!

See the attached flyer for more information and to sign up as an exhibitor or sponsor.

NTX Chapter Happy Hour

Come have a drink and a bite to eat on us! All are welcome, especially prospective members. Thanks to our sponsor, SSI!

Date: Thursday, March 23, 2023

Time: 4:00 PM until 7:00 PM

Location: Yard House

320 W Las Colinas Blvd., Irving, TX

FREE to attend! [Please RSVP here.](#)

President's Message

Casey Jones

Hello all. Daylight savings time is here, and Spring is around the corner. I hope everyone's year has gotten off to a great start. I wanted to remind everyone of some of our Spring 2023 ICRI NTX events. We have some exciting events coming up soon. Our first Happy Hour of the year will be next week, March 23, at 4 p.m. This will be held at The Yard House near Toyota Music Factory in Las Colinas. Mega Demo Day will be on Friday, April 14, from 10 a.m. to 2 p.m. at Sika's new distribution center in Lewisville. This is free to attend, and lunch will be provided, but donations and sponsorships are available.

At our chapter board meeting, we discussed our goals for our NTX ICRI Chapter for this year. We have set several goals that will truly help our chapter grow for this year and for years to come. A few of our goals are for Publications, Scholarship, Membership, and our Texas State Convention. I want to thank our board members for all the time and effort

that is involved to help us achieve our goals and to make our chapter one of the best in the industry.

I am excited about all our special events we will be hosting this year to make our chapter even stronger. I want to reach out to our chapter members, that if you have interest in helping us achieve our goals and to become more involved with our chapter, please contact me or one of our board of directors.

I hope to see you next week at The Yard House!

Sincerely,

Casey Jones

NTX Recognizes Past Chapter Presidents

At the North Texas Chapter's February meeting on February 23, 2023, Past Chapter Presidents, Abhishek Aggarwal, PE (2022), Eddie DeHaro (2021), and Clay Broyles (2020) were recognized for their meritorious service to the Chapter. Despite the ongoing threats as the COVID pandemic ebbed and flowed, these Presidents worked tirelessly with the Board of Directors to ensure that on-line, educational opportunities were provided, and the traditional Sporting Clay and Golf Tournament fundraising events took place with the necessary safety precautions in place.

The meeting also included an introduction to the 2023 NTX Board of Directors from the 2023 NTX Chapter President, Casey Jones. Mr. Jones then led a discussion about the many opportunities and benefits to becoming a chapter member, including networking with industry leaders, regular technical presentations, and access to the collective knowledge of our members.

Lastly, 2020 ICRI President, Mark LeMay, provided Chapter Members with a recap of resources available on the ICRI website, including free PDF copies of ICRI Guidelines to ICRI members, copies of presentations held at ICRI conventions dating back to 2010, and digital copies of ICRI's Concrete Repair Bulletins dating back to 2001.

Concrete Surface Repair Technician (CSRT) Program

A Self-Guided Training Program
Focused On Concrete Surface Repair

"The ICRI CSRT program has assembled a vast amount of information... an individual can learn best practices that typically take five to ten years to accumulate. Whether you are new to concrete repair or experienced... this program has something for everyone."

Jacob Borgerson, CSRT-Grade 1, Wiss, Janney, Elstner Associates, Inc.

2023 NTX Scholarship Applications

Application Deadline Approaching!

The North Texas Chapter is very proud to offer scholarships to high school seniors, trade school students, and college undergraduates to encourage their awareness of and participation in the concrete repair industry. The scholarships have been made possible in large part due to the Chapter's annual fundraisers, the Sporting Clay Classic and the Jesse Points Memorial Golf Classic. Registration for 2023 scholarships is now open.

Eligibility: High school seniors and college undergraduate students that are pursuing a certificate or degree from a college, university, or trade school. Graduate students are not eligible for the scholarship at this time.

Amount: A total of at least \$1,000 will be awarded for tuition, fees, and books. Multiple scholarships may be awarded (six scholarships were awarded in 2022).

How to apply: Complete the attached application. A cover letter, transcripts, and tests scores are required to be submitted. Applications are due **April 21, 2023**.

*Do you have **industry news** to share? A big hire, a recent award, or a promotion? We want to know about it!

CONCRETE PROTECTION FROM THE SEA TO SKY

Waterproofing and Corrosion Protection

2023 ICRI SPRING CONVENTION

April 17-19 ♦ JW Marriott Parq Vancouver ♦ Vancouver, BC, Canada

Plan to join the International Concrete Repair Institute in Vancouver, British Columbia. Whether you are a novice or seasoned professional, this is your best opportunity to expand your understanding of concrete repair, protection, and restoration through networking, technical sessions with PDH credits, and participating in ICRI committee meetings. You can expect another dynamic convention featuring concrete repair industry experts sharing their expertise with you. As always, your ICRI committees will be meeting throughout the convention and it is important to remember that all committee meetings (with the exception of the Fellows and Nominations) are open for anyone to attend.

When: Monday - Wednesday, April 17-19, 2023

Where: JW Marriott Parq Vancouver
39 Smithe Street
Vancouver, British Columbia, Canada

VISIT THE [ICRI WEBSITE](#) FOR MORE INFORMATION AND
REGISTRATION

South Central Texas Chapter Golf Tournament

Our friends in the South Central Texas Chapter of ICRI are hosting an upcoming golf tournament. Please consider joining them to show support, especially if you do business in the Austin and San Antonio areas!

When: Thursday, March 30, 2023 (shotgun start at 9:00 AM)

Where: The Bandit Golf Club, 6019 FM 725, New Braunfels, TX

Get Surface Repair Certified!

Why should my company have ICRI-certified Concrete Surface Repair Technicians (CSRT) on staff?

The ACI 562-19 concrete repair code commentary states that CSRTs are qualified to perform testing and inspections required by the Design Professional. Look for this requirement to become more prevalent in the coming years as ACI 562-19 is becoming more widely recognized. Plus, better quality control and quality assurance start with better training!

INTERNATIONAL CONCRETE REPAIR INSTITUTE

For more information, visit the certification program's website

WWW.ICRI.ORG/PAGE/CERT_TECHPROGRAM

The North Texas Chapter is always looking for ways to expand or refine the newsletter. If you have suggestions on what we should include in the newsletter, new ideas, articles, or things we need to cut out, please send those comments to [Steve Grelle \(sgrelle@wje.com\)](mailto:Steve Grelle (sgrelle@wje.com)).

Did your business card not make the newsletter? Don't worry. We can include you in future issues of the newsletter. Please contact [Steve Grelle \(sgrelle@wje.com\)](mailto:Steve Grelle (sgrelle@wje.com)) for information. Don't delay, as our newsletter ads operate on a calendar year.

International Concrete Repair Institute North Texas (NTX) Chapter Scholarship Application & Guidelines, 2023

Overview & Program Guidelines

Objective: To encourage participation in the concrete and/or concrete repair industries. Scholarship funding is provided by ICRI NTX.

Amount: At least \$1,000 for tuition, fees, and books (more than one scholarship may be awarded)

Eligibility:¹ High school seniors and college undergraduate students that are pursuing a certificate or degree from a college, university, or trade school. Graduate students are not eligible for the scholarship at this time.

Apply: Submit the following:
Completed application form
Cover Letter
Transcripts²
Test scores³

To: ICRI North Texas Chapter
Julie Bolding, Scholarship Committee Chair
12655 N. Central Expy, Suite 720
Dallas, TX 75243 469-782-9753
julie.bolding@salasobrien.com

Please note the updated email and mailing addresses.

Due Date: Friday, April 21, 2023

Review: Completed applications will be reviewed by the Chapter Scholarship Committee. Appointed by the Chapter President, the Chapter Scholarship Committee Chair selects two committee members, who are approved by the Board of Directors. Applicant interviews may be requested by the Scholarship Committee. Committee members' family members are excluded from the opportunity to apply, but all others are eligible to apply regardless of membership in ICRI.

Decision: Award recipient(s) will be notified via letter on or about May 19, 2023. An announcement of the award recipient(s) will be made during an ICRI NTX Chapter meeting.

Award: Funding will be awarded by July 3, 2023 and will be placed in an account under the award recipient's name at his or her college, university or trade school. If no school has been selected or if student ID number and school financial aid mailing information has not been provided as of this date, funding will be held until a school is selected. Award will only be sent directly to college, university or trade school, not to award recipient.

Follow-up: Award recipients will be expected to attend a NTX Chapter meeting (at no cost to the recipient) and to provide a follow-up letter (or e-mail) at the completion of the semester for which funding is allocated including a description of the coursework completed and grades earned.

¹ While preference will be given to full-time students pursuing a career in concrete restoration, concrete strengthening methods, concrete repair material research or related fields, students from all disciplines are invited to apply. Past recipients may reapply.

² Applies to high school senior and college undergraduate applicants, unofficial transcripts are acceptable

³ Applies to high school senior applicants only, ACT or SAT scores are acceptable
